The Medaille Trust - is a charity founded by groups of Religious congregations in 2006 to work against the evils of human trafficking congregations in response to the plight of thousands of people who are being trafficked into the UK each year.

The primary mission of The Medaille Trust is the empowerment of women, men and children, who have been freed from the human-trafficking and the modern day slavery industry in the UK, enabling them to regain their dignity and self-worth.
